Summer in the City

Nova Rizzo of The 96815 says:

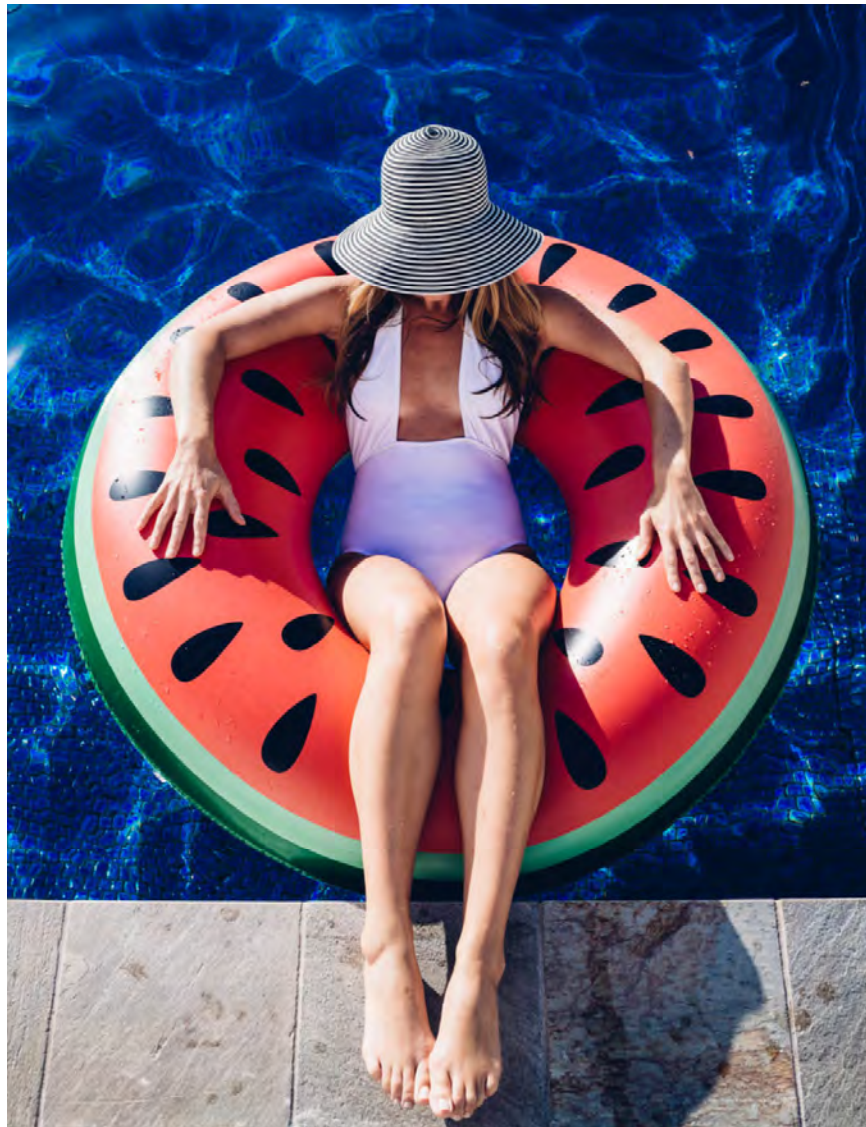

Summer in the 96815 is upon us and I'm kicking it off in style at the Shoreline Hotel, Waikiki. Just off Kalakaua Avenue, the Shoreline boasts sleek, minimalist rooms that nail Waikiki's island/city vibe. Endless dining, shopping, nightlife and Waikiki Beach are all within walking distance from this boutique high-rise property. Looking out over the cityscape from the Shoreline's rooftop pool, I'm lost in the sight of Waikiki's famous mid-century architecture nestled between the royal blue sea and the intensely green Ko'olau mountains in a late afternoon summer sky. The sight brings a feeling that anything is possible in this magical urban paradise. All you need is a colorful summer dress, a stylish bikini and a sense of adventure to get carried away this summer in the city.

Shoreline Hotel, 342 Seaside Avenue, the 96815. Check out their site www.ShorelineHotelWaikiki.com for room rates and specials!
